Dear Mr. Jensen:

I am in receipt of both of your letters with regards to your California Public Records Act requests numbered PR054 and PR055 respectively. We will provide the data you requested in the format for PR054.

I would like some clarity on your request PR055. Do you want actual euthanasia logs or data from our Chameleon Reports?

There will be copying fees per each request of \$25 for a total of \$50. Due to the Holidays we will be unable to provide the data until early January.

If you have any questions please feel free to contact me at 831-454-7203.

Sincerely,

A handwritten signature in black ink, appearing to read "Henry Brzezinski", is written over a faint, larger version of the same signature.
