**Re: Public Records Act Requests PR054, PR055**

Dear Mr. Brzezinski,

I have not received the following information.

**Public Records Request PR054**

This request dated November 25, 2008 was for records of all animal impounds from January 2007 through October 2008. In your letter dated December 15, 2008 you stated that you would provide the Chameleon records in the format requested but due to the Holidays, you would not be able to provide the data until early January. I have not received the data or a \$25 invoice for the copying fee. Can you please provide an estimated date when you can provide these records?

**Public Records Request PR054**

In response to your letter dated December 15, 2008 asking for clarification to my request for Euthanasia Logs from the Santa Cruz shelter and Watsonville shelter, I faxed you a response on January 12, 2009 stating I was interested in obtaining copies of the actual euthanasia logs. I have not received copies of the euthanasia logs or a \$25 invoice for the copying fee. Can you please provide an estimated date when you will be able to provide copies of the euthanasia logs?

Regards,

Bradley J. Jensen
