Dr. Mr. Jensen,

We have received your payment for Public Records Request PR055.

Attached you will find the euthanasia records for both the Watsonville and the Santa Cruz shelters for the period of January 2007 through January 2009 in the MSExcel file format as you have requested.

The data for the animal impounds for both shelters for the same time period (PR054) will be sent as soon as the payment is received.
