Dear Mr. Jensen,

Thank you for your letter of January 16, 2009 to the Department of Animal Services (Department). Your correspondence requested information, under the California Public Records Act (Act) regarding the names/titles along with a brief description of each for any and all reports created using information contained/stored in Chameleon CMMS.

The Department currently maintains no such record as described. We do have a listing of Chameleon reports available on line, and we have enclosed a copy for your information. In Section 6253 (9) (b) (1), California's Government Code states that public agencies do not have to reconstruct a record if the agency no longer has the record. In the case of this request, the Department has had no list with the names and descriptions.

We appreciate this opportunity to serve you. If you have any questions regarding this matter, please contact the Department by dialing (213) 482-9558.

Sincerely,

Linda J. Barth, Assistant General Manager
