Dear Angelina,

I think you mean the March 2010 reports will be available sometime this month. When you say you have emailed "staff" for these reports, are you referring to staff at the facility on San Luis Rey Road?

Hi Brad,

I e-mailed the staff who provided me with the information. Staff will get the reports for me and I will forward them to you as soon as I get them.

San Diego Humane Society merged with the North County Humane Society in January 2010 that why the only reports provided was for January and Feb. 2010. March 2009 reports will be available sometime this month. Thanks for e-mailing me to clear the confusion.

Dear Angelina,

These are the only records the City has of animal impounds and dispositions for the City of Oceanside at the 2905 San Luis Rey Road, Oceanside, CA location?

Hi Brad,

The attached letter was sent as first attachment to my e-mail of 3/31/10. The second paragraph explained why the January and Feb. 2010 reports were the only ones provided. These were the reports that staff sent to me.

Dear Angelina Ehrlich,

Thank you for the response however public records request PR082 was for January 1, 2009 through March 20, 2010 information, a period covering at least 14 months. You provided information covering only two months, January and February, of this year without explanation.
